

ADVERSE SURVEY ACTIONS – HEALTH FACILITIES
April 2004
CENTRAL REGION

Name	Type of Facility	Administrator	Action Taken	Rationale for Action
Pine Ridge Care Center SLC	Nursing Care	Jennie Nelson	<p>Conditional License – issued from November 18, 2003 to May 18, 2003. Conditions include no new admissions, prior-approval for re-admissions, posting of notices, and increased monitoring.</p> <p>The facility was back in substantial compliance on December 19, 2003 – all admissions were allowed.</p> <p>Further follow-up with PCRA has shown that the facility has maintained compliance. Standard license reissued April 28, 2004.</p>	Survey from PCRA found substandard quality of care and immediate jeopardy to residents in the areas of resident funds, failure to report and investigate misappropriation, protection of residents with injuries of unknown origin, and resident abuse.
